Asia Pacific Association for International Education 2020 Conference and Exhibition

APAIE 2020 is a five-day conference for educators, principals, leaders in interculturalism and internationalization, and others passionate about promoting the value of international education. Under the theme 'Bridging Oceans - Internationalization and Higher Education in the Asia Pacific,' the conference features presentations and workshop sessions on the latest industry practices from the brightest minds in the field of international education, including an exciting keynote by acclaimed world affairs commentator, Fareed Zakaria.

The conference dives into 5 comprehensive tracks focusing on the most pressing issues in internationalization and higher education:

- Engaging Indigenous and Newcomer Communities
- Interculturalization and Internationalization
- The Student Experience
- Multilateralism, Regional Cooperation and Other Next-Generation Collaborations
- Changing Demands on Education In The 21st Century

APAIE 2020 expects to draw over 2,500 professionals from around the world. As one of the most Asian-influenced cities in the Americas, Vancouver offers an ideal location to gather colleagues from around the world to discuss developments in the internationalization of higher education and explore opportunities for collaboration. To register and for more information on APAIE 2020, please visit the conference website.

About the Asia Pacific Association for International Education (APAIE)
The Asia-Pacific Association for International Education (APAIE) was established in Seoul, South Korea in 2004 by a founding committee consisting of thirteen university representatives from across the Asia Pacific region, and has since expanded to become a thriving association. APAIE aims to encourage greater cooperation between institutions, to enrich and support international programmes, activities and exchanges, and to promote the value of international education across the region and beyond.
